MEMORIAL DAY TO LABOR DAY

Church services on the lake are provided by the Leesburg United Methodist Church.

BEACH SAFETY

Beach safety is each family's responsibility. Please accompany your child to the beach. There is no lifeguard on duty at the beach; however there is emergency equipment for the beach on the southeast corner of the beach store. An emergency telephone is on the southwest corner of the store.

PARK SECURITY

Park security is a joint effort. Even though we are a very safe RV park, it is always a good idea to take precautions. Keep poles and tackle out of sight if you leave equipment in your boat. Lock car and trailer doors when you go out on the lake. Watch out for your neighbor and have your neighbor watch out for you. Please report suspicious activity to the Resort Office.

CAMP FIRE SAFTY:

As the weather gets cooler we will see more campfires. Please alert the whole family about campfire safety.

1. Always use a portable fire pit.
2. Never use gasoline to start a fire.
3. Do not get the fire to large so that it would damage a car or trailer with flames or sparks.
4. After the ashes cool, scoop them into a trash bag for disposal. DO NOT put the cold or hot ashes on the ground.

BRING A FRIEND

We are repeating the "bring a friend bonus". Receive a \$500.00 credit on your lot rent for the 2012 season by bringing a friend and his unit into the RV Park for the 2012 season. The friend will need to occupy an empty site. See office for details on how you can save on next season's rent.

CHECK OUT THE MARINA LABOR DAY SALE

Select tubes, skis, cleaners, and other boating accessories will be marked down. Check out the new StarCraft pontoons arriving daily. Fishing bait is available at the showroom.

RECYCLE TO BE GREEN

Well, the recycle program is up and running. A **BIG** thank you for your support. Boaters coming off the lake are doing great by separating their recyclables. The recycle bins by the dumpster are bringing in a lot. We are still looking for some place to take glass. Until we find some place, please place glass in dumpster or take it to your home recycle center. Pizza boxes (due to food contact) are not recyclables. Lets make Labor Day weekend a big recyclable time. Enjoy the rest of summer and be safe.

Thanks, from the maintenance and office staff.

SPEEDING IN THE PARK

Please drive slowly through the park. There are many children and grandchildren in the park and we do not want anyone to be injured by a vehicle. "Only YOU can prevent speed bumps".

DOGS

Many of you may have noticed that the dog ramp is not as steep as it used to be. Dogs must be kept on a leash at all times. No dogs are allowed on the beach area. Please clean up after your pet. Courtesy pick up bags are available at the dog walk area.

BOATS STORED IN RV PARK

Please get approval from the Resort Manager before storing a boat or boat lift for the winter on your space. The stored equipment must be able to fit within your actual space. This will include the area in front of your RV unit as long as the stored equipment does not sit out on the street or on your neighbor's space. There is a fee for winter storage on your lot for any boat, boat lift or pwc lift.

PATONA BAY BOAT SERVICE

Our service department is ready to keep your boat in top running condition. If you need to sell a boat, please stop by our sales department to set up your boat on consignment. If you are buying a used boat from an individual, bring it in for a fifty point inspection so that you will know of any problems in advance.

DISCOUNT ON WINTERIZATION AND STORAGE

As a "Thank You" for your patronage, we are again offering all Patona Bay Resort RV Park residents and dock space renters a 10% discount off their total bill of winterization services and storage. Cannot be used with any other coupon offer. We hope that all of you will take advantage of these savings and will pick Patona Bay Boat Service for all your winterization and storage needs. **Please give Darlene in our Service Department a call to schedule the winterization, and storage of your watercraft or boat lift. 574-453-3970**
